DAY 2: HUSKIES, WILDLIFE & CHRISTMAS EVE FESTIVITIES

This action-packed day is a treat for animal lovers! Start your special Christmas Eve with a visit to a husky kennel. Here you'll enjoy a short (half kilometre) but thrilling dog sled ride as well as a hot beverage and snacks in a traditional Sami tepee. You might even get a chance to feed the animals that dwell in the forest! Then your group will continue onwards to Ranua Wildlife Park, where you'll enjoy a lunch buffet of local specialties in the park's restaurant. Afterwards you'll go on a guided walking tour through the park to observe arctic wildlife such as polar bears, lynx and wolves. Before the ride back to Kemi, you'll have a chance for some last-minute Christmas shopping at the park's souvenir and candy shops.

Back at the hotel, take some time to relax and dress up in your Christmas Eve outfit. Then your guide will meet you at the hotel for the short walk to the restaurant for tonight's celebration. Before dinner, you can help decorate the Christmas tree while enjoying some freshly baked gingerbread cookies and a warm mug of glögg, a mulled wine traditionally served at this time of year. Of course, you'll want to save room for the festive Christmas Eve dinner buffet! Last but not least, Santa's elves will make a special appearance to spread Christmas cheer and give small gifts.

Spend the night in Kemi.

Helpful notes:

- Two people will share one dog sled and take turns driving.
- The ride to the husky kennel is 30 minutes and the ride to the wildlife park is 1.5 hours. Transportation is by comfortable coach bus.
